

Corporate / Private Sector Membership

The California City Management Foundation (CCMF) has enjoyed strong private sector support since its inception 25 years ago. The Foundation is very appreciative of corporate support and continues to look for ways to foster communication between the CCMF Board and its members and those firms that support CCMF's efforts. While CCMF individual membership dues help defray most of the operations costs of the Foundation, special events, publications and conferences all must receive strong corporate support if the Foundation is to continue to provide a high level of service.

We have, this year, revised our corporate support levels and benefits. We now have five levels of support and have worked hard to add additional value to each of our membership levels above the \$1,000 category.

Our **Corporate Benefactor (\$2,500)** level provides additional invitations to the CCMF Member Appreciation dinner plus enhanced recognition on the CCMF website to include not only the Firm logo but also a description of the Firm's activities and a link to the Firm's website. Additionally, this level includes a sponsorship package for the annual CCMF Golf Tournament. And, of course, recognition at the Benefactor level is provided in the ever popular CCMF weekly newsletter to include a direct link to the Firm's website.

The **Corporate Patron (\$5,000)** level includes all of the above plus attendance, at no cost, for two Firm representatives at the CCMF Membership Appreciation Dinner and free participation for a foursome in the CCMF Golf tournament.

This year, we have created a **new "Golf Tournament Title Sponsorship" level at \$7,500** which includes two free foursomes and a Firm logo gift for all tournament players.

The **Foundation Circle (\$10,000)** level includes attendance, at no cost, for five Firm representatives at the CCMF Member Appreciation Dinner plus contributor

status on all dinner publicity announcements and the dinner program. A new benefit this year is an invitation for one Firm member to attend the first night dinner at CCMF's *New and Future City Managers Seminar* as well as any other dinner at CCMF sponsored events.

A more specific listing of the benefits for each of our five corporate levels is included on the next two pages. We hope you will support CCMF with a generous contribution. An invoice is included for your use.

The Foundation operates on a July to June fiscal year which explains the timing of this letter requesting your support of CCMF through a financial commitment at one of the five levels CCMF offers. Your support is greatly appreciated and means a great deal to the more than 325 individual members of the Foundation.

Should you have any questions about CCMF or the Corporate Member Recognition Program, please contact Bill Garrett, Executive Director either by telephone at (619) 303-8068 or by e-mail at bill@cacitymanagers.org.
