Corporate Sponsor Benefits

## Executive Summary

Thank you for your support of the California City Management Foundation! City managers across California work with outside partners to improve their communities every day. Feedback and engagement with these other entities, whether in the private sector or entities advancing policy concepts, helps inform and advance local government.

Your support of excellence in city management is recognized through our Corporate Sponsor Benefits program. We urge you to take advantage of this opportunity to share your ideas and innovations with the California city manager community.

If you have any questions or concerns about the California City Management Foundation, please contact Executive Director Ken Pulskamp at [ken@cacitymanagers.org](mailto:ken@cacitymanagers.org).

Regards,

## Your Corporate Benefits

CCMF has continued to innovate the benefits of sponsorship of CCMF to provide platforms for our corporate sponsors to tell their story to the city manager community. Below, we have outlined the benefits available to your company.

To get the most value out of your sponsorship, it is advisable that you designate a single person on your staff to help coordinate your opportunities to use these benefits. Some of the benefits will require effort on the part of the sponsor to implement. The CCMF staff person taking the lead on this is Jennifer Vaughn with Tripepi Smith. You can reach her at [JenV@TripepiSmith.com](mailto:JenV@TripepiSmith.com) or at 844-226-3411 ext. 3.

Note that the list of benefits outlined below is tied to the level of sponsorship with CCMF. Sponsorship Tiers for 2022–23 starting July 1, 2022 are:
